BOSS

LOCK NUTS

**EASIEST TO APPLY
LOWEST IN COST
BEST TO SPECIFY**

BOSS LOCK NUTS are easily and quickly applied. They will not turn the bolts or in any way injure bolt threads, as the only resistance encountered in applying **BOSS LOCK NUTS** is in the final turn necessary to lock them.

This is in strong contrast with certain types of lock nuts which must be forced on, necessitating holding the bolt heads to prevent the bolts from turning.

Vibration and shock will not loosen **BOSS LOCK NUTS**. They can be removed and re-applied without appreciable loss of holding power and without injury to bolt threads. They save trouble, time, labor and bolts. It is the better part of wisdom to specify them.

Be sure to write it Right.

Duplex Stokers Distribute Coal Uniformly

Duplex Stokers handle all kinds of coal with best results, reduce clinkering and make fire cleaning an easy job. Engines fired by the Duplex will either shorten the trip time over the road, or will haul more cars per train in the same trip time. Hard schedules are helped along.

The springs that constitute the Creco Brake Beam Support are as sensitive to the objectionable movements of the brake beam as human arms would be in the same position. For every such movement a corrective force is exerted by the springs—it is natural and instantaneous—a truly human tendency to correct faulty position and to maintain proper alignment.

What Has Superheating Done For Your Road?

You would not care to be without superheaters on your locomotives.

They have proved themselves the most effective single factor in increasing economy and capacity.

The superheaters you are familiar with have produced such results because they are based on the best engineering practice which we can obtain. This is followed by our own inspection and service work, in order to produce continuously the economies aimed at.

And they are MADE IN CANADA.

WHY JOLIETTE STEEL CASTINGS ?

In the Locomotive and Car Shops they know what a clean and accurate Casting means in time saved.

Money can be saved on Steel Castings. An apparently low-priced casting often requires an excessive amount of machining, so that it is, in reality, a costly article. Accuracy to shape and uniform steel quality are the two features of Joliette Steel Castings which should be borne in mind when considering questions of price.

Accuracy to shape and uniform steel quality mean that Joliette Steel Castings require a minimum of machining. They are economical castings for that reason. No one can afford to waste his machinist's time. In addition Joliette Castings have given the highest tests, a further guarantee of economy in use.

We manufacture Electric Steel Castings for Locomotive, Car and Maintenance work. All Castings true to pattern, well SAND BLASTED and Annealed.

MORE POWER

The Arch is more than than just a coal saver.

It is the equivalent of a larger boiler.

It means more steam from the same boiler.

More power from the same coal consumption.

This means more tonnage hauled for the same labor at the firedoor.

Tonnage you can secure in no other way.

Chairman.

As you know, this is our Annual Meeting and the first item is the report of the Secretary. I shall therefore ask Mr. Booth to make his report.

*SECRETARY'S REPORT FOR YEAR ENDING
APRIL 30th, 1922.*

Mr. President and Members:—

It is with a great deal of pleasure that I present you with the Twentieth Annual Report of the Club to-night.

The financial reports which have been distributed to-night show our Club to be in a very flourishing condition. There is a slight falling off in membership dues collected, but this is owing to the fact that we have not added to our list of new members as last year.

Our monthly meetings have been well attended with one exception and that owing to the very inclement state of the weather on that evening.

The class of papers presented were of a very high standard and much appreciated.

We have at the present time a membership of 1518 compared with 1385 last year, 193 new members were admitted and 60 struck off the list from one cause or another, death claiming a few.

You will observe from the financial statement that our Executive felt obliged to sell our \$1,000.00 Victory Bond and thus settle our differences with the printing and postage account, which, as you all know, went up by leaps and bounds during the past 18 months or more, but it will be seen that even by paying off much more for printing, etc., that we have a very substantial bank balance.

Our Annual Smoker and Banquet were well attended and much appreciated.

During the past year the most active interest has been taken by our President and Executive, and the meetings of that body which are held prior to our regular meetings and other special occasions, have been well attended.

To the Management of the Windsor Hotel we offer our thanks for the very efficient service at our various functions and for the use of their rooms.

To-night you will be called upon to elect the various officers for the coming year and your Nominating Committee

elected, will present its report a little later in the evening.

In closing, I wish to express my thanks for the kind support at the hands of the Executive and members as a whole, and I have endeavored to give the "personal touch" wherever opportunity offered.

Our Advertisers (The Supply Men) the best in the land, are ever near and their support is greatly appreciated.

Respectfully submitted,

W. A. BOOTH,

Secretary.

Secretary:

I move the adoption of these reports.

Mr. E. A. Cunningham:

I have pleasure in seconding that.

Chairman:

You have heard the reports by the Secretary which have been moved and seconded. All in favor say "Aye" - - Carried.

Chairman:

The next item is the election of officers for the coming year. A Nominating Committee consisting of Messrs. Arthur Allan, E. G. Jackson, T. M. Hyman, T. C. Hudson and J. Burns, has prepared a slate for the coming year, and in the absence of the chairman of that committee, Mr. Booth will read the report.

Secretary:

The Nominating Committee appointed reports as follows:

For President.

For Treasurer.

Mr. P. P. Reynolds, Chief Clerk to Chief of M.P. and R. S., C.P.R., Montreal.

Chairman:

Gentlemen, you have heard the recommendations of the Nominating Committee. It is now in order for you to nominate any member of the Club for any of these offices, in addition to those recommended by the Nominating Committee. We are open for nominations.

I shall ask Messrs. E. A. Cunningham, G. A. Kell, and R. Crawford to act as scrutineers.

Mr. Norman Holland:

If there are to be no more nominations, why not make it a slate and nominate all at once. I take pleasure, therefore,

in moving that one ballot be cast by the President for the list submitted.

Mr. F. J. Fradd:

I will second the motion.

Chairman:

It has been moved and seconded that this slate be balloted for at one time. All in favor. Carried.

Mr. E. A. Cunningham:

Mr. President, on behalf of the scrutineers who have had one ballot deposited for the election of the slate, as read by the Secretary, we declare them elected. (Applause).

Mr. W. J. Buckland:

Mr. President, I take great pleasure in moving a hearty vote of thanks to the Scrutineers who have so successfully performed their duties.

Mr. Frank Holland:

I second that motion.

Chairman:

You have heard the motion, all in favor say "Aye." Carried.

Chairman:

Will Mr. Wilson kindly come to the platform. Mr. Wilson, I feel quite satisfied in turning this office over to you. During the past year you have been much interested in the Club, and I shall now be glad to line up behind you and render such assistance as I can.

Mr. G. M. Wilson. (President).

I was expecting, when I was invited to the platform, that someone was going to call "Speech" and I had a story to tell, but don't think I can tell it now. (Cries of "Speech").

There was once a Scotchman attending some Jewish festivities. He was asked to either speak or sing a song. In true Scottish style, he replied: "Gentlemen, I canna mak' a speech and I am no' much of a singer, but I'm as guid a whistler as ever cookit a lip."

I thank you very much, gentlemen, for the choice you have made in electing me the 20th President of the Canadian Railway Club, a Club which we are all proud to be members of, a Club which, on the date of its inception resembled the small acorn, from which has grown a great and flourishing tree. I am pleased to be here to-night, meeting such an intel-

ligent audience, to express my thanks in selecting me as your President, and with your co-operation I believe the Club will go down on record as having another successful year. Thank you very much, gentlemen. (Applause.)

Chairman:

We should now like to have a few words from our Vice-President.

Mr. H. R. Naylor:

Mr. President and Gentlemen:—

I appreciate very much the honor you have conferred on me this evening in electing me as First Vice-President, and you may be assured that I shall be glad to assist Mr. Wilson, our President, to make the coming year as successful as the one being concluded to-night.

This year has been notable specially as regards membership and well attended meetings, and the improved financial standing of the Club, and I think Mr. Crompton, the retiring President, is to be congratulated on the splendid results. Might I mention that there is nothing more encouraging to the President and Executive than well attended meetings, and during the coming year we shall endeavor to have live and interesting subjects for the Monthly meetings to maintain and stimulate interest generally.

I thank you, Gentlemen, and I shall do everything possible for the welfare of the Club and to merit your confidence. (Applause.)

Chairman:

I will now call upon Mr. Wm. McNab for a few remarks.
Mr. William McNab:

Mr. President and gentlemen. I am sure it can be said without cause for question, that the eminent success which has come to this Club since its inception is due to the efforts, aspirations and influence of the men who have successively filled the Presidential chair. The President of this Club is in charge of its destinies, and the measure of its success will be due to the zeal and amount of effort he puts into the work. I think from the report which we see on the table to-night, and from your remarks, that this annual meeting marks the very zenith of the Club up to now, and it is very largely due to the retiring President. Mr. Chairman, will you allow me just for a moment to address a word or two to the gentleman who

has just relinquished that high office.

Mr. Past President Crumpton. There are some days in the life of an officer of this Club that may be characterized as red letter days, and one of these is that in which he attains to the Presidency and another the one that he relinquishes it. I am sure that you feel, as your predecessors have felt, that the office of the Presidency of this Club is beyond local interest. It is one of national character, and the incumbent of that office feels prouder in its possession than he does in that of any similar organization. On behalf of the Executive and the members generally, I have the honor to express to you their appreciation of the able and dignified manner in which you have presided over the functions of this Club, as well as of the interest that you have uniformly manifested in everything that pertains to its weal. On the part of the Executive and members, it is my pleasing duty as well as privilege, to hand you this jewel as a mark of their appreciation, and as a souvenir of your connection with the Club as President. Let me say to you that I am sure it is the wish of every member that you may be long spared to wear it and let me express to you their sincere hope that your interest in the Club will continue and not be allowed to lapse or be dimmed. I have pleasure, sir, in handing you this jewel. (Applause.)

Mr. A Crumpton:

Someone says "Speech" but as I know there is a big programme ahead of us, there will be no speech. However, allow me to express to you my heartfelt thanks for the sentiments expressed by Mr. McNab on your behalf and for this token of your esteem, both very much appreciated. Let me say also, that without the hearty co-operation of your Executive Committee, the hard work of the Secretary and Treasurer, and your own generous enthusiasm, we could not have had such a good year as we have had. Again I thank you. (Applause.)

Chairman:

Gentlemen, I think the laborious part of the meeting is over and I am now going to hand over to the Secretary the entertainment part of it, and I believe he has something good for you, which I believe we shall all enjoy. Mr. Booth, will you kindly announce your programme?

The concert provided was of a very high order, consisting of songs, recitations, music, and some very witty stories by our esteemed Mr. Norman Holland.

A MESSAGE FROM OUR PRESIDENT WHOSE
PORTRAIT APPEARS ABOVE.

Fellow Members of the Canadian Railway Club:

It is with sincere pleasure that I greet one and all, and wish I had the pen of a ready writer to again express my thanks for the honor extended in your election of me as President of our worthy Club for the ensuing year. I fill the chair physically; may I do so mentally. The object in establishing and continuing this Club is mutual improvement and enlarging our knowledge, in the discussion of topics in railroad interests in our "get-togethers." Before going further, we extend our hearty appreciation and thanks to our retiring President and his able lieutenants for the splendid work which they have done, and which will be hard to duplicate. Success in this, as in everything else, depends upon an object and activity. We have no limitations, so with loyal co-operation of our members first, last, and all the time, we take charge of the throttle, and with hearty cheer and kind support we will surely not be found wanting. We shall endeavor to present a series of interesting and instructive subjects beginning with September, so would urge as many as possible to attend the meetings.

Very sincerely yours,
G. M. WILSON.

IN MEMORIAM

E. A. WILLIAMS

(Our First President)

Died

April 29th, 1922.

CONSTITUTION.

Article 1.

NAME.

The name shall be the "Canadian Railway Club.

Article 2.

OBJECTS.

Section 1. The object of this Club shall be the advancement and dissemination by means of reports, papers, investigations, and discussions of knowledge concerning the construction, operation, and maintenance of railroads and railroad equipment, and the cultivation of sociability among its members.

Section 2. No patentees, or their agents or agent for the sale of Railroad Supplies, shall occupy the attention of any Club meeting in the interest of the device in which they are personally or financially interested, unless they are especially invited to do so by a majority vote of the members present, or by consent of a majority of the Executive Committee, and the article they represent forms a part of the subject for discussion.

Article 3.

MEMBERSHIP.

Section 1. The membership of this Club shall consist of persons interested in any department of railway service or kindred interest, or persons recommended by the Executive Committee.

Section 2. Persons elected by a majority vote of the Executive Committee shall become members on payment of the annual dues for the current year.

Section 3. The membership shall continue until written resignation is received by the Secretary, unless forfeited by non-payment of dues.

Section 4. Persons may be elected to honorary membership in this Club, by the unanimous vote of the members present at any regular meeting, and shall be entitled to all privileges of membership, but shall be excluded from payment of the annual dues.

Article 4.

OFFICERS.

The officers of this Club shall consist of a President, a Vice-President, a Second Vice-President, Secretary, and Treasurer, Executive Committee of seven members, one of whom shall be the immediate past President, and an Audit Committee of three members.

Article 5.

ELECTION OF OFFICERS.

Section 1. The officers shall be elected by ballot at the Annual Meeting, for the term of one year until their successors are chosen.

Section 2. At the meeting preceding the Annual Meeting a Nominating Committee of five shall be appointed by the President, who shall present at the Annual Meeting nominees for each office to be filled; it shall be the privilege of any member of the Club to nominate other candidates, the nominee receiving the highest number of votes for each office to be declared elected.

Section 3. The Executive Committee shall have power by a two-thirds vote of all its members to remove the Secretary and Treasurer, and appoint their successors *pro tem*. Such action shall be reported at the next succeeding regular monthly meeting of the Club, when successors shall be

elected by ballot of members for the unexpired term.

The rate of compensation of the Secretary and Treasurer shall be fixed for the time that they hold office by a majority vote of the Executive Committee.

Section 4. Any vacancy that occurs may be filled at any regular meeting by ballot, due notice of the election having been given in the regular call for the meeting.

Article 6.

DUTIES OF OFFICERS.

Section 1. The President will preside at all regular or special meetings of the Club, and perform all duties pertaining to a presiding officer; also serve as a member of the Executive Committee.

Section 2. The Vice-President, in the absence of the President, will perform all the duties of that officer, and will serve as a member of the Executive Committee.

Section 3. The Second Vice-President, in the absence of the President and the Vice-President, will perform all the duties of those officers, and will serve as a member of the Executive Committee.

Section 4. The Secretary shall attend all meetings of the Club or Executive Committee, keep full minutes of their proceedings, preserve the records and documents of the Club, and accept and turn over all moneys received to the Treasurer, at least once a month. He shall have charge of the publication of the Club Proceedings, and perform other routine work pertaining to the business affairs of the Club, under the direction of the Executive Committee.

Section 5. The Treasurer shall receipt for all moneys received from the Secretary, and deposit the same in the name of the Club within thirty days, in a bank approved by the Executive Committee, draw cheques for all bills presented, when approved by a majority of the Executive Committee present at any meetings of the Club, or Executive Committee meeting. All disbursements of the funds of the Club shall be by cheque signed by the President and Treasurer.

Section 6. The Executive Committee shall exercise a general supervision over the interests and affairs of the

Club; they shall arrange the programme for meetings and entertainments; authorize all expenditures of the Club, but shall have no power to make the Club liable for any amount beyond that which at the time of contracting such expenditure shall be in the treasury and not subject to prior liabilities.

Section 7. The duties of the Audit Committee shall be to audit the books and accounts of the Treasurer.

Article 7.

AMENDMENTS.

The Constitution may be amended at any regular meeting of the Club by a two-thirds vote of the members present, notice of said amendments having been presented in writing at a previous meeting.

BY-LAWS.

Article 1.

MEETINGS.

Section 1. The regular meetings of the Club shall be held at the Windsor Hotel, Montreal, Canada, second Tuesday of each month at 8 p.m., excepting June, July, and August, and a majority of the Executive Committee shall have authority to change the date and place of meeting if necessary for any special purpose.

Section 2. The Annual Meeting shall be held on the second Tuesday of May of each year, at 8 p.m.

Section 3. The President may call special meetings at such times as he may deem expedient, or on the written request of at least five members.

Article 2.

QUORUM.

At any meeting of the Club fifteen members shall constitute a quorum for the transaction of business.

Article 3.

DUES.

Section 1. The annual dues shall be two dollars, payable in advance on the second Tuesday of May of each year.

Section 2. At the Annual Meeting of the Club the names of those members whose annual dues are still unpaid for the year then ending shall be dropped from roll, previous notice of at least thirty days having been given such members by the Secretary. The Proceedings of the Club shall not be mailed to persons whose names have been dropped from the membership roll, and such persons shall not be eligible for future membership until all back dues are paid.

Section 3. Subscriptions of persons becoming members during the months of February, March, and April will entitle them to membership for the ensuing year.

Article 4.

ORDER OF BUSINESS.

The order of business shall be as follows:

1. Roll call.
2. Reading minutes of previous meeting.
3. Remarks of the President.
4. Announcement of new members.
5. Report of Standing Committee.
6. Unfinished business.
7. New business.

SHERWIN-WILLIAMS

Old Dutch
Railway Enamel
(Oil Elastic)

has by long use and severest tests proved to be the most efficient, durable and economical finishing material.

Made of the very finest pigments and colors, mixed with oxidized linseed oil, it will retain its elasticity indefinitely because no gums whatever are used in its construction,

Old Dutch Railway Enamel will wear longer than any other finishing varnish or any other kind of enamel and will reduce finishing costs to a minimum.

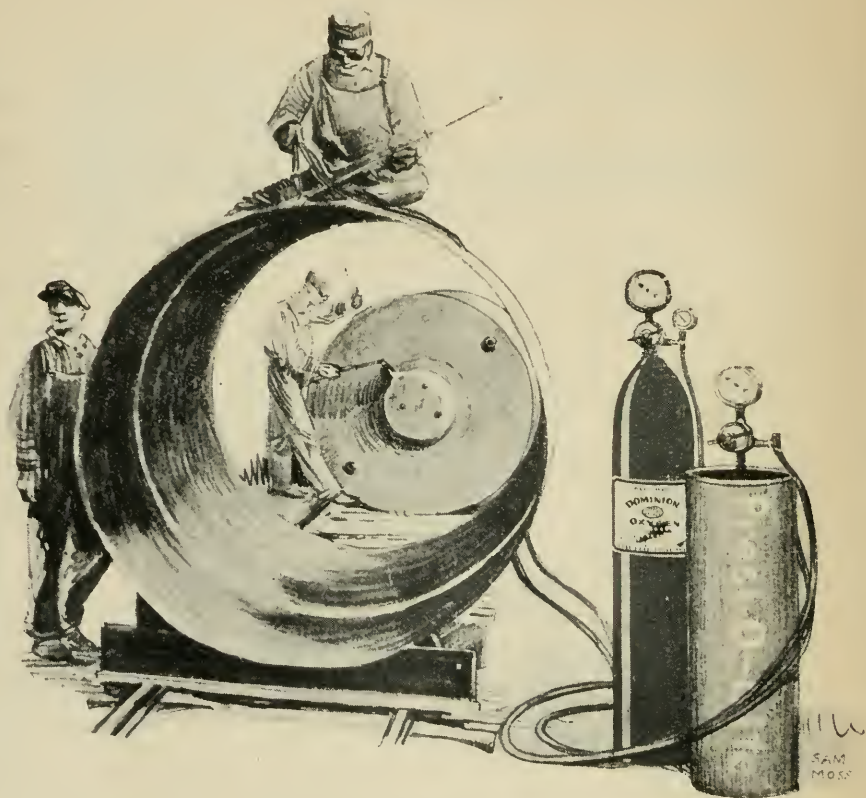

"Save the surface and
you save all" *Paint & Varnish*

DOMINION OXYGEN IS ORGANIZED FOR SERVICE

O keep pace with the rapidly increasing number of users of Dominion Oxygen and to fill their orders the same day as received, six perfectly equipped Plants and Distributing Stations have been located at strategic manufacturing and shipping centres.

The policy of the Dominion Oxygen Company, Limited, to supply only pure oxygen in light weight, conveniently handled cylinders of the newest and most improved type and to make prompt shipments by the shortest route, will be maintained by the addition of more plants and distributing stations.

The six units now in operation will be increased from time to time, not only to keep pace with, but to anticipate the demand for oxygen service. Be Sure To Get Our Price First. Get in touch with our nearest Plant or Distributing Station to-day and let us quote you—you owe it to yourself to get this better service.

The chain of Dominion Oxygen Plants and Distributing Stations now includes the important cities of Montreal, Toronto, Hamilton, Welland, Merritton and Windsor. Send your order to the nearest Distributing Station to-day for a sample cylinder, which will be shipped immediately.

A trial of Dominion Oxygen will make you a regular user, because you will both save money and get better service.

"When Galena Service Goes In Lubrication Troubles Go Out!"

The voluntary tributes that have been offered to GLENA SERVICE by leading railway executives is convincing evidence of its value in securing added efficiency in operation.

The personal help and co-operation of trained specialists---trained in practical railway mechanics as well as lubrication---that brings the knowledge and benefits of over fifty years of experience, is at the command of Galena customers in the work of improving lubricating conditions and thereby reducing lubrication costs.

GALENA SERVICE is now a world-wide organization and there is no instance where its effectiveness has not been demonstrated through securing results of the most satisfactory nature. Its entire resources are brought to bear on your individual problem---and your lubrication "problem" disappears !

It's Worthy of Your
Attention

The saving of thousands of dollars on any railroads, by the proper handling of the boiler water proposition, is a matter worthy of the careful consideration of all of those who are watching the profit and loss sheet.

Interesting figures and facts will be submitted on savings resulting from the use of Dearborn Anti-Foaming, Anti-Scalling, and Anti-Corrosion water treating preparations.

"Dearborn Does It"

Positive Protection

Consider the danger in repair yards and on rip tracks — men working around and under cars without proper protection. Countless times accidents have occurred for the simple reason that a train crew has failed to observe the blue flag warning.

Should a train crew disregard the blue flag, the derail becomes effective and a derailment resulting, thus protecting life and limb.

The Q & C. Portable Derail is simple, strong and effective and can be locked on the rail at any desired point. An eccentric disc automatically locks the derail to the rail; fits all rail sections; made for right, left and double throw.
